Problem: Skin and body care products aren’t just absorbed into your system every time you use them, they’re also washed into waterways by the tubful every time you bathe. Especially your shower gel. Your family deserves a shower gel that gets them clean and is safe to use, both for the body as well as the environment.

Solution: Hop in the shower with confidence using our eco-friendly Shower Gel. This gentle formula delivers everything you want in a shower gel. It cleanses, moisturises and leaves a light citrus scent that awakens the skin – without the toxic chemicals so common in most other bathing products.

Item #s: 200ml shower gel 403160; 500ml family size 403161

**Description:**
Derivatives from Fruit Sugar, Sweet Pineapple, Coconut and Lemon provide a light, citrusy scent and gently cleanse the skin, while Aloe Vera nourishes and moisturises. The gel's gentle foaming action delights everyone, from the youngest to the oldest members of the family.

200 ml

**Certifications:**
Shower Gel has been certified by two reputable agencies, BDIH and NaTrue.

**BDIH** is an international organisation that ensures the product is free from:
- Organic or synthetic dyes
- Synthetic fragrances
- Ethoxylated raw materials
- Silicons
- Paraffins and other petroleum products.

**NaTrue** is an international organisation that ensures the product possesses the following attributes:
- Natural and organic ingredients
- Soft Manufacturing Processes
- Environmentally friendly practices
- No synthetic fragrances and colours
- No petroleum-derived products

- No GMOs
- No irradiation of end product or botanical ingredients
- Products must not be tested on animals.

**Key Features:**
- Free from SLS, SLES, parabens, phthalates, mineral oil, propylene glycol, synthetic dyes, and animal-derived ingredients.
- Plant-based surfactants are mild to the skin and deliver an invigorating clean without stripping skin of moisture.
- Mild, pleasing scent and gentle formula make it ideal for the whole family.
- New Polywood® packaging uses natural wood fibres from sustainable forestry to reduce carbon footprint and the use of fossil-based resources by 30%.

**Key Benefits:**
- Skin is cleansed gently, naturally and thoroughly.
- Organic extracts of Lemon Peel and Pineapple offer a crisp scent, while awakening the skin with mild astringents.
- A combination of humectants helps attract moisture to the skin, making it feel soft and smooth.
- Organic Aloe Extract offers soothing properties.
- No toxic chemicals are absorbed into the skin or washed down the drain.

**How to Use:**
- When showering, pour a small amount of gel onto a Body Pack Cloth and massage over body. Rinse. Can also be used in bath. Generously pour gel into warm running water for maximum foaming action. Soak in a botanical safe haven.

**Demo Tips:**
- Ask your Host if you can prep the bathroom before the party. Place a Hand Towel, Shower Gel, Hand Cream and Body Lotion on the counter and invite guests to try them.

**Did You Know?**
- Taking a shower in steaming hot water can strip your skin of its natural oils, leaving it dry and vulnerable to chapping and flaking. It’s better to dial the temp down to warm.
- The personal skin care products you use also rub off on your clothes. As the clothing is laundered, the chemicals eventually find their way into lakes, rivers and streams.
